

Access Statement for Bovey Castle

Introduction:

Bovey Castle is a luxury hotel and country Estate set in Dartmoor National Park. We have 60 rooms offering suites, family rooms, double and single occupancy. We have two DDA compliant bedrooms, with wet rooms, designed for wheel chair users. We also have 22 self catering lodges set in the castle grounds. A swimming pool, Gym, Spa and others leisure facilities, including a Championship Golf Course, are also within the complex.

The main hotel is Grade II listed, which requires it to be properly preserved to enable retention of the building's many original features and designs which restricts alterations to current standards and guidelines.

We offer a range of activities including, archery, shooting and off road driving. The hotel is also dog friendly. All information is available on our website www.boveycastle.com.
